BOOK REVIEWS

“Reading this book makes music even more interesting, your listening experience will never be the same again!”

- **Sander Gommans**, guitarist and vocalist in *After Forever*

“As I opened the book it was a feeling of newness that came to me. I felt like a little boy who was about to experience his first spiritual awakening.”

- **Gonzo Sandoval**, drummer in *Armored Saint*

“THE SPIRITUAL SIGNIFICANCE OF MUSIC is one of the most exciting concepts put together.”

- **Danny Felice**, guitarist, mandolin player, and vocalist in *Breed 77*

“This is a must have collection for anyone interested in the countless and assorted evaluations of musicians and their opinions of spirituality in music and sonic universality.”

- **Michael IX Williams**, vocalist in *EYEHATEGOD*

“THE SPIRITUAL SIGNIFICANCE OF MUSIC is a very interesting read... I think any fan of the many genres of music today will find this book very interesting as well as insightful.”

- **Paul Speckmann**, bassist and vocalist in *Master*

“I believe this book will enlighten those that read it, and pound into your soul just how important music and spirituality are!”

- **Ronny Munroe**, vocalist in *Metal Church*

“THE SPIRITUAL SIGNIFICANCE OF MUSIC has done an incredible job of capturing the innermost personal thoughts, ideals, and concepts from many of today’s most innovative cutting-edge musicians.”

- **John Astl**, guitarist in *Resurrection*

“All these personalities tell in their own words how they see spirituality and music... I can imagine that a lot of people will find this intriguing.”

- **Lords Of Metal**
